

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Maley to the Minister for Infrastructure, Planning and Logistics:

Saltwater Arm Boat Ramp

1. Are there any planned works to upgrade the Saltwater Arm boat ramp?

The ramp and car park is inspected on a monthly basis and is generally in good condition.

In 2023, this Department will undertake a condition assessment of all DIPL-managed boat ramps. The output of the condition assessment will inform future boat ramp maintenance and upgrade programs of works.

2. Please provide details of the planned works and what the budget is for these works?

Please refer to Question 1.

3. When will these commence and what are the expected completion dates?

Please refer to Question 1.

4. Are there any planned works to upgrade the Saltwater Arm car park?

Please refer to Question 1.

5. Please provide details of the planned works and what the budget is for these works?

Please refer to Question 1.

6. When will these commence and what are the expected completion dates?

Please refer to Question 1.

7. Are there any planned works to further upgrade the Saltwater Arm access road?

The Department of Infrastructure, Planning & Logistics (DIPL) manages and undertakes a range of repairs and maintenance projects across the Territory.
