

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Lambley to the Chief Minister:

Election Expenditure

1. Has the Labor Government lodged a financial disclosure return with the NT Electoral Commission in relation to the expenditure of more than \$40,000 on Labor's 2020 General Election campaign authorised in the then Chief Minister's office?
2. If not, why not?

Allegations about the misuse of public funds by the former Chief Minister during the 2020 General Election were the subject of an investigation and report by the NT Independent Commission Against Corruption which was recently tabled in the Northern Territory Legislative Assembly. The findings of that Report do not support the basis of the questions.
