This should be my last email re VAD . I believe I have said all that I needed to say and now I feel it's time for me to say I am sorry to have burdened you with so many emails on my thoughts on the subject and often repeating myself for emphasis on the need to pass a more sensible and inclusive VAD legislation that would provide us the elderly a compassionate option when we can no longer endure the pain and suffering of advanced age related health issues . That said , I need to add that I do feel better now that at least , I've managed to put in the time and effort to write for a worthy cause close to my heart . I feel I have done my part and all I can do now is to hope for the best . Thank you for your patience in reading my many emails on the subject.
