Hello,

My name is David Wrotniak, my wife Joelle and I strongly oppose legislating VAD.

Our reason for this is because of the very dangerous slippery slope this allows for how we view and value life amongst all humans.

All life is precious from conception to death, dying people should be treated with love, dignity and care but not put down like animals.

Please oppose this bill and prevent the unlawful killing of humans going forward.

Thank you,

David Wrotniak
