

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Giles to Minister for Health

Suicides

1. How many suicides have been recorded in the previous 5 years to 30 September 2011?

It is only via a Coronial Report that a death may be attributed to suicide. Figures may be available through the Coroner.

2. Would you please provide monthly statistical breakdowns according to:
 - (a) The Indigenous status of each person;
 - (b) Sex;
 - (c) Age;
 - (d) Geographical region from where the person generally resided;
 - (e) Geographical region where the suicide occurred.

It is only via a Coronial Report that a death may be attributed to suicide. Figures may be available through the Coroner.

2. For each suicide please detail the method of suicide whether that be by hanging, firearm or otherwise.

It is only via a Coronial Report that a death may be attributed to suicide. Figures may be available through the Coroner.
