

## LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

### Petition

Registration No:	41
Title:	Heavy vehicle diversion in Katherine CBD
Presented on:	18 August 2010
Presented by:	Mr Westra van Holthe
Referred to:	McCarthy (Transport)
Date referred:	18 August 2010
Response due:	1 December 2010
Response received:	8 September 2010
Response presented:	19 October 2010

#### Petition

**To the Honourable Speaker and Members of the Legislative Assembly of the Northern Territory**

**We undersigned respectfully request**

**That planning for the Heavy Vehicle Diversion beside Railway Terrace (Option 4) in the Katherine CBD be stopped and that alternative options be considered.**

**Your petitioners therefore humbly pray:**

**That the Minister immediately cease to support the Heavy Vehicle Diversion in the Railway Terrace Precinct. We the undersigned believe that the Railway Terrace Precinct must remain a green space and heritage area for the future generations of Katherine.**

#### Response

Thank you for your letter of 18 August 2010 relating to Petition No. 41. I support the Petition, and pursuant to Standing Order 100A, I provide the following.

Planning for the heavy vehicle corridor adjacent to Railway Terrace in Katherine has ceased, and alternative options are now being considered.
