

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

Petition

Registration No:	9
Title:	Shade Structure for Palmerston Skate Park
Presented on:	Wednesday 1 December 2005
Presented by:	Mr Mills
Referred To:	Minister for Infrastructure and Planning
Response due:	13 June 2006
Response received:	31 May 2006
Response presented:	13 June 2006

Petition

To the Speaker and Members of the Northern Territory Legislative Assembly:

We the undersigned citizens do respectfully call upon the Northern Territory Government to provide additional funding to construct a shade structure over the Palmerston skate park. Skin cancer develops from excessive exposure to the sun sustained at an early age. A shade structure will provide protection for users of the park while allowing greater use of this important recreational facility in Palmerston.

And your petitions as in duty bound will every pray.

Response

The Palmerston Skate Park is located on Lot 8404, University Avenue, Town of Palmerston which is a freehold title to the Palmerston City Council.

It is understood that the Department of Local Government, Housing and Sport granted \$35 000 under the Annual Facilities Development Program to the Palmerston City council on 31 August 2005 for a shade structure.
