Subject: Land Management - Parcels of Land

**From:** Mr Gerry Wood to Dr Christopher BURNS  
Department of Infrastructure Planning and Environment

---

#### 7-1

**Question:** Minister, in the Annual Report, you have stated that you have secured a number of parcels of land for the oil and gas industry. Where exactly are the parcels of land? How much land is involved? How much did the land cost to acquire? Is any of the land subject to environmental assessment?

#### **Answer:**

Answered On: 13/07/2005

Answer: The following land was purchased for the Oil and Gas corridors at a cost of \$821 973. As these were acquisitions by agreement, details of individual purchase prices are confidential between the previous landowners and the Territory. The land will be assessed under the Environmental Assessment Act.
