How much of the total appropriation for your Output Group, DCIS, goes to its Corporate and Executive Services?

What is the cost per square metre for cleaning offices, and is it undertaken by contract or internal cleaners for DCIS? Please also provide me with the same responses for other agencies.

**Answer:**

Answer: \$3.669 million as at 31 May 2007.

In respect to DCIS General, the Data Centre and NT Fleet the cost for 2006-07 is \$12 per m2 using contract cleaners.

In respect to leased premises, cleaning is principally performed by Building owner contractors and charged to DCIS. The remaining 32% of leased premises are cleaned through Northern Territory Property Management (NTPM) managed contracts.

The average cost per m2 in 2006-07 for cleaning costs across all leased premises (building owner and NTPM managed) is \$14 per m2.
