## **Question Taken on Notice**

**Date:** 12 June 2014 **Output:**

**Subject:** Northern Territory Institute of Sport Scholarships

**From:** Mr Ken Vowles

**To:** Hon Matthew Conlan

**Agency:** Sport, Recreation and Racing

---

**Number:** 7-14

**Question:** Will the Minister provide the average cost of a Northern Territory Institute of Sport (NTIS) scholarship holder?

**Answer:**

It is not possible to provide an accurate average cost per scholarship athlete as the NTIS is part of the Division that incorporates the NTIS, Sport and Racing Services within the Department of Sport, Recreation and Racing resulting in costs relating to corporate services, facilities management, executive and business support, for example, being shared. Furthermore, in 2013-14 the NTIS did not just service scholarship holders but also athletes and coaches within academy programs run by sports with a NTIS Sport Program. In all, over 195 NT athletes were supported by the NTIS in 2013-14.

Applying the budget relating specifically to NTIS staff and unit operational costs by the number of athletes supported, the average cost per athlete is \$11,338.
