**Number: 5.09**

**Question:** Could you provide the estimated cost of leasing payments by the shires based on the arrangements the NT government has with land councils, and the costs associated?

---

**Answer:**

It is not possible to provide an estimated cost of leasing payments by the shires at this stage. The final list of assets required to be leased by the shire councils and the valuations of the assets to be leased have not been completed.

Shire councils negotiate directly with land councils on leasing arrangements.
