**Question:** Lot 309 London Street, Virginia, was acquired – for what purpose and at what cost?

**Answer:**

Answered On: 16 /06/ 2010

Answer: Lot 309 London Street Town of Virginia is a land locked parcel adjoining the Elizabeth River (there is legal access but not physical). The owner approached the Territory to provide access. Given the size and location of the parcel it was unviable for the Territory to assist. An offer was made to the owners to purchase the parcel and this was refused. NFA was taken.
