Department of Children and Families

Question: **6-10**
Has there been an increase in the percentage of money from the budget going to fund non-government organisations?

Answer: Madam Deputy Chairman, I have an answer to Question on Notice No 6.10. Has there been an increase in the amount of money to NGOs? In 2010-11, the Department of Children and Families final budget was \$141m of which \$37m will be paid to the non-government sector. This represents 26% of this year's budget. Funding allocation for NGO services by year 5 of the Board of Inquiry funding will represent 30% of the recurrent Board of Inquiry funding. This in addition to our current base funding provided to NGOs
