

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Mrs Finocchiaro to the Minister for Health:

**Remote Health Clinics**

1. Have there been any additional health clinics transferred to Aboriginal community control since June last year? What are their specific locations and names of managing organisations?
2. Please provide an update on upgrades to remote health clinics in the last year, where they are and who has paid for those upgrades (NT or Federal)
3. Have you had any refusals from communities not wanting their clinics to be transferred over? If so, which ones and what were the reasons?
