Subject: Garramilla Boulevard

QUESTION:

Were there any variations to the contract and what was the total cost of that variation?

ANSWER:

Garramilla Boulevard has provided a new entry to the City of Darwin, opening up highly valuable CBD land for development and critical infrastructure that will support the future growth of Darwin.

The contract is valued at \$59 million and included:

- construction of a new 4-lane road link connecting Tiger Brennan Drive from Dinah Beach Road to Cavanagh Street (Garramilla Boulevard);
- upgrade of Tiger Brennan Drive to provide a 4-lane road (to complete the duplication of Tiger Brennan Drive) with the 2 outbound lanes intersecting with the new Garramilla Boulevard;
- construction of major intersections with Tiger Brennan Drive, Woods and Cavanagh Streets;
- extensive landscaping;
- shared paths;
- upgrades along Frog Hollow;
- new adjoining amphitheatre and community spaces;
- upgraded storm water for the CBD;
- specialist marine mud treatments to provide solid foundations;
- removal of significant quantities of asbestos material; and
- relocation of previously unidentified underground services.
