

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Elferink to Minister for Essential Services;

Underground Power Delivery

1. There has been an ongoing program of improvements through the under grounding of the power distribution network in Darwin suburbs:
 - (a) Could you please advise as of 30 December 2010;
 - (i) The total number of residential consumers that had underground power delivered from this program; and
 - (ii) The amount spent on the program.
 - (b) Could you please advise for the year 2011:
 - (i) The number of residential consumers that will be converted to underground power delivery; and
 - (ii) The cost expected to undertake that conversion.
 - (c) With regard to the completion of the project please advise:
 - (i) as of 28 February 2011, the number of residential consumers that are programmed for conversion to underground power; and
 - (ii) the estimated cost of that conversion.
-
