WRITTEN QUESTION

Ms Fyles to the Minister for Correctional Services:

Educational and Offenders Programs

1. Why has there been a \$2 million cut to education and offender programs in the 2015/16 financial year?
 2. Why has there been a reduction in the number of prisoners participating in education in the 2015/16 financial year – from 30% to just 5% of 1700 prisoners.
 3. Is the reduction in the number of prisoners participating in offender programs linked to the budget cuts to this output?
