

## LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

### WRITTEN QUESTION

Mr Gunner to the Minister for Alcohol Rehabilitation and Policy:

#### **Alcohol Policy Division numbers as of 1 January 2013 - public servant numbers**

How many public servants were employed in the Alcohol Policy Division as of 1 January 2013 in the following categories:

- Full time or the equivalent;
- Part time or the equivalent;
- On temporary contracts;
- At a lower classification than they were on 25 August 2012.

---

Of the Department of Justice Alcohol Policy Staff transferred to Department of Health (DoH), as at 1 January 2013 there were:

- 12 Temporary Contract officers, full time; and
- 5 Permanent Officers, full time.

There is one less permanent officer than previously reported for Legislative Assembly Written Question 15 from the Nov – Dec 2012 Sittings. This is because it was incorrectly reported to DoH that a permanent position was transferred to DoH but in fact it was transferred to Department of Business.

Most positions are temporary contract as Stronger Futures funding is the majority funding for this area.

No staff are at a lower classification than they were on 25 August 2012.
