Question : Hearing Impaired Students - East Arnhem Region

Question Date : 13/08/91

Member : Mr STIRLING

To : MINISTER for EDUCATION

Did the Estimates Review Committee decide to abolish the position of itinerant teacher serving hearing impaired students in the East Arnhem region; if so, how does this accord with agreements under the Aboriginal Education Policy goal number 14 which seeks to have special assistance provided to Aboriginal students with hearing loss problems, particularly the provision for additional advisory staff to assist teachers in developing teaching programs specifically suited to hearing impaired students.
