

Question No: 73

Question: NT Construction Group

Date: 12/11/91

Member: Mr STIRLING

To: MINISTER for TRANSPORT and WORKS

1. Who are the Directors of the NT Construction Group.
2. What private companies are represented on the Directors of the NT Construction Group.
3. Who are the government representatives on the NT Construction Group.
4. What was the Northern Territory government's contribution to the establishment of the NT Construction Group.
5. What is the Northern Territory government's ongoing commitment to the NT Construction Group.

ANSWER

1. The Directors of the NT Construction Group are -

Roger Linklater
Peter Fanning
William Steel
Michael Gallagher
Ross Dunkley
Gary Nairn
Neil Sunners
Neil Philip.

2. Apart from solicitors Philip and Mitaros, who administer NT Construction Group's trust account, no private companies are directly represented by the Directors of the NT Construction Group. The company has been formed by representatives of the -

Association of Consulting Architects
Association of Consulting Engineers
Association of Consulting Surveyors
Territory Construction Association
Department of Transport and Works
Department of Industries and Development
Philip and Mitaros.

3. The government representatives are -

Mr William Steel Deputy Secretary Works
Department of Transport and Works

Mr Michael Gallagher Manager, Trade Promotions
Department of Industries and Development

4. The company is financed primarily through subscriptions for \$1 B Class

membership shares at a premium of \$999 each. Accordingly, government's contribution to the establishment of the NT Construction Group is limited to \$2000 (ie \$1000 x Department of Transport and Works, \$1000 x Department of Industries and Development).

5. Government's ongoing commitment to the NT Construction Group is limited to time taken by the 2 government representatives to attend NT Construction Group meetings.
