Agency: Chief Minister & Cabinet

Subject: Time off work due to assault or criminal behaviour

QUESTION:

For the reporting period, how many NTPS employees required time off work due to being assaulted or subjected to criminal behaviour whilst in the workplace, by agency?

ANSWER:

Under workers compensation claim forms there were 44 employees who required time off work due to an assault listed on the form during the reporting period. This data does not distinguish between allegations of assault and assault determined by a court of law.
