### Re: the Northern Territory Aboriginal Sacred Sites Amendment Bill

With regard to the proposed amendments in this Bill, could the Government please demonstrate to all, how the rights of Indigenous people in the NT and under the UN Declaration on the Rights of Indigenous Peoples, have been provided for?

Namely, that under the UN Declaration: "Indigenous peoples have the right to maintain and strengthen their distinct political, legal, economic, social and cultural institutions, while retaining their rights to participate fully, if they so choose, in the political, economic, social and cultural life of the State."

Sincerely  
N. Rea
