Electorate sourced from the Education Directory Schools List as at 13 June 2026

Government attendance Source: Department of Education and Training enrolment and attendance dataset.

Note: Attendance data for government schools is published on the Department of Education and Training's website.

Non-government attendance source: DET enrolment and attendance dataset. Non-government attendance is not published on the Department of Education and Training's website.

Non-government attendance calculation has a different methodology not directly comparable to the government sector.
