Hi Robyn Lambley and Gerry Wood,

Please note that we already have a great sporting complex at Marrara & it would be better to spend the 20 million there than at Richardson Park.

Its logical to keep all the sporting complexes in on place.

For two or three games a year this is a massive waste of public money.

The reason that the Rugby League left Richardson Park is that is was too expensive for the clubs to use.

They are happy where they are now & don't want to go back to Richardson Park.

Kind regards,  
Sab Lord
