2. Specific details of the design are being determined by a Project Development Group in consultation with HK Solutions.
3. No program for construction has been allocated in 2016-17.
4. It is expected that the project (consultation period) will commence in 2017-18, and the construction period will be determined by the final design.
5. Whilst the final management framework is yet to be approved, it is expected that the NT Government will own the facility, with a day to day management model to be developed.
6. Future plans for Richardson Park are being considered by the Department of Infrastructure, Planning and Logistics.
