19<sup>TH</sup> September 2017

#### TRAVEL/EXPENDITURE REPORT

Pursuant to Clause 6.12 / 6.13 of Remuneration Tribunal Determination No 2 of 2016, I report on the Australian Institute of Company Directors Course undertaken between 4th September and 8<sup>th</sup> September 2017 in Darwin.

The objective of the taking the course was to gain a better appreciation of changes in management principles, analysis of financial statements and development of leadership and meeting skills.

The Company Directors Course gives a comprehensive grounding in the roles and duties of board directors. The course includes modules on effective decision-making, the legal aspects of directorship, financial literacy and strategy, as well as putting the lessons into practice.

I attended the course for the full five days and assessment is currently being undertaken and will be submitted to the Institute.

Yours faithfully
