20 October 2017

**HAVE YOUR SAY ON THE TERRITORY'S LAWS:  
PASTORAL LAND LEGISLATION AMENDMENT BILL 2017  
BIOLOGICAL CONTROLS AMENDMENT BILL 2017**

The Economic Policy Scrutiny Committee is seeking public comment on the proposed laws listed above.

The Assembly has referred the Bills to the Committee to consult with the public regarding whether or not the Bills should be passed by the Assembly or amended. This is an opportunity for anyone interested in these proposed laws to have their say on how they can be improved.

The Committee is now calling for submissions on the Bills by close of business **Wednesday, 8 November 2017**. Depending on the comments raised in submissions, the Committee may hold public hearings on the Bills. It will then report to the Assembly before it debates the Bills.

The Committee's Terms of Reference, copies of the Bills and other information are available at <https://parliament.nt.gov.au/committees/inquiries> or by contacting the Committee office via email [EPSC@nt.gov.au](mailto:EPSC@nt.gov.au) or telephone 8946 1485.
