Question on Notice 4.1

Mr WOOD: Minister, could you provide information on how many children Student Services have in their system on each assessment level - low, medium, and high? Could I add another question? How much funding is allocated to provide support for those students in schools?

ANSWER:

- **How many children Student Services have in their system on each assessment level - low, medium, and high?**

Low	501
Moderate	109
High	66
TOTAL	676

- **How much funding is allocated to provide support for those students in schools?**

The amount allocated to provide support to the students identified above is \$5.56m.

This funding is provided through the Special Education Support Program (SESP). SESP resources are used in conjunction with other available resources in the school to support teaching and learning outcomes for this cohort of students.
