# Inquiry into the Education and Care Services (National Uniform Legislation) Amendment Bill 2019

July 2019

---

The Committee has considered the Education and Care Services (National Uniform Legislation) Amendment Bill 2019. The Committee called for submissions on 17 May 2019 to be received by 14 June 2019. No submissions were received.

The Committee notes that in providing for adoption of the National Law as in force from time to time, the Bill delegates to the Victorian Parliament the power to amend this law for the Northern Territory. In the event that a provision of the National Law or associated regulations is not considered to be in the best interests of the Northern Territory, the Department of Education advised the Committee that the Legislative Assembly may amend the Act so that the provision in question does not apply.

The Committee recommends that the Assembly pass the Bill.
