Subject: Cumulative amount of debt written off due to non-billing

QUESTION

In the last financial year, being 2019–20, what was the accumulative figure in dollars of bad debts written off due to people not being billed for 12 months or longer?

ANSWER

There was one customer account where a credit was made due to not being billed in the 2019-20 financial year or longer. The total value of this credit was \$571.58
