WRITTEN QUESTION

Ms Carney

to Minister for Justice and Attorney-General

Information Act

I would be grateful if you would provide the answer to the following question in relation to the Justice Department's Budget for 2004-05. In order to assist you, please note that this question relates to output group: **1.0 Legal Services (1.4: Office of the DPP)**.

1. In documents obtained under the Information Act last year, it was revealed that the DPP exceeded its budget in 2002-03 because its workload increased by 113%, and that figure was based on the number of new matters. Did the DPP's workload increase in 2003-04 and if so, by how much.
