WRITTEN QUESTION

Ms J Carney

to Minister for Family and Community Services

Housing Modifications for People with a Disability

Minister I am advised (IDA) that the Housing Department has the funding to modify houses/units for people with a disability but as there is only one OT in the DHCS allocated to this job (to do the assessments of client/home) and he/she can't cope with the workload, there is a hefty wait for modifications.

1. Minister what is being done to address this problem.

ANSWER
