

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY
WRITTEN QUESTION

Tree Point Conservation Reserve

Mr Wood to Minister for Natural Resources, Environment and Heritage

As the Tree Point Conservation Reserve on the Gunn Point Peninsula is part of NT Parks:

1. Does the Department intend to repair or rebuild the fence which protects the sand dunes at Tree Point from vehicle traffic.
 2. How many people have been prosecuted for driving along the foreshore within the boundary of the Reserve.
 3. What is the maximum fine for driving on the foreshore.
 4. The Department removed Poinciana trees from within the Reserve over 12 months ago, the trees are starting to grow again; what,
 - (a) is the department doing to stop the regrowth this year; and
 - (b) are the plans for future destruction of any regrowth in following years.
 5. Are there any plans to station a Parks and Wildlife Ranger temporarily on weekends, or permanently at Tree Point or nearby to this area.
 6. Could you give a breakdown of capital and maintenance expenditure projects carried out on the Tree Point Reserve over the last 5 years.
-
