

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

Capital Infrastructure

Mr Mills to Minister for Infrastructure

1. Please provide a list of the works on the approved capital infrastructure program, including proposed tender and construction time lines.
 2. Please provide a complete list of the forward capital works under consideration for approval to be added to the infrastructure program, including proposed time lines for completion.
 3. Please provide a list of forward capital works that have been identified by departments as necessary for inclusion into required capital works into the future.
