

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Mr Vowles to the Chief Minister:

**Overseas Travel by Hon Willem Westra van Holthe**

When did you first become aware the former Minister for Primary Industries and Fisheries:

1. Had conducted, or intended to conduct, discussions on private business matters with the CT group when travelling in Vietnam on official Government business?
  2. Had conducted, or intended to conduct, discussions on private business matters with the CT group when travelling in Vietnam at his own expense?
  3. What steps did you subsequently take to assure yourself that the Minister's discussions with CT Group in (1) and (2) above did not contravene:
    - (a) The Ministerial Code of Conduct?
    - (b) Any Northern Territory or Commonwealth statutes?
  4. Will you ask the former Minister to repay all costs incurred on taxpayer funded trips to Vietnam during which he discussed private business matters with the CT group?
