Remote Housing – Question Time 21 April 2016

In Question Time on the 21 April 2016 the Chief Minister said in relation to remote housing:

“From today, 21 April, until 30 June 2018 the NT government will spend \$351million building 152 new houses, 256 replacement houses and 1150 refurbishments of up to \$100 000 for houses needing extensive work.”

- a) What is the breakdown of the \$351million by funding stream?
- b) What is the planned breakdown by region for:
 - (i) 152 new houses
 - (ii) 256 replacement houses
 - (iii) 1150 refurbishments

Thank you for your question.

I will ask the Department to prepare all of the material you have asked for, to be ready to present at the Estimates Committee Hearings, should you wish to ask at that time.

This will avoid unnecessary duplication of work for the Department.
