

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Lambley to the Minister for Health:

**Alice Springs Hospital \$13m Multi-Storey Carpark**

- 1. When is construction of the new multi-storey Alice Springs Hospital Carpark scheduled to commence?**

Construction is scheduled to occur with ground-breaking on 15 April 2021.

- 2. When is the construction of the carpark scheduled to be completed?**

Scheduled completion date is end of December 2021.

- 3. What alternate car parking facilities will be offered to hospital staff and visitors during the construction of the new carpark?**

Alice Springs Hospital maintenance staff parking will be relocated to other available staff carparking sites around the campus.

- 4. What services will be disrupted during the construction of the new multi-storey Alice Springs Hospital Carpark?**

None.

- 5. Will any health services be relocated as a result of the construction of the new carpark? If so, provide details.**

No health services will be relocated.

- 6. How will the road (Gap Road) be changed or effected by the constructions of the new carpark?**

Increased construction traffic is anticipated during the construction period and appropriate traffic control measures will be employed when required.

- 7. What safety and security features will be incorporated into the new carpark to ensure the safety of both hospital staff and visitors?**

CCTV and safety lighting is being installed throughout.

Staff car parking will be on dedicated levels with electronic access only.

- 8. Is the plan for the new multi-storey Alice Springs Hospital Carpark on public display? If so, provide details of where people can see the plan.**

The concept layouts were available for comment during the Notice of Determination - 14 days appeal period which ended 31 December 2020.
