

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Hersey to the Minister for Environment:

Territory Carbon Emissions

1. Please advise the total carbon emissions produced by each Government agency for the following financial years:
 - a) 2018-19
 - b) 2019-20
 - c) 2020-21
2. Please list from highest to lowest the carbon emissions ranking of each Government agency as at 30 June 2021.
3. What is the 10-year trend for Territory induced emissions?
4. What measures have Government agencies undertaken this financial year to reduce emissions?
5. What are the three single largest contributors to the Territory's total emissions this financial year in the public sector?
6. What are the three single largest contributors to the Territory's total emissions this financial year in the private sector?
7. What are the three single largest human-induced emission sources in the Northern Territory?
8. What are the estimates of how much gamba grass burns contribute to the Territory's total emissions?
9. What impact do cattle make on Territory induced carbon emissions?
