

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mrs Lambley to the Minister for Health:

Northern Territory Community Controlled Health Services

1. Can the Northern Territory Health Complaints Commissioner receive complaints about Northern Territory Community Controlled Health Services?
2. If not, how are complaints of Northern Territory Community Controlled Health services received?
3. How are complaints of Northern Territory Community Controlled Health services dealt with?
4. What mechanism does the Northern Territory Government have in place to ensure that Community Controlled Health Services succeed?
5. What role does the Northern Territory Government play in ensuring that Community Controlled Health Services provide quality, reliable and equitable health services?
6. Can the community control of a Health Service be removed or taken over by the Northern Territory Government?
7. Are there any examples of where this has occurred? If so, provide details.
