4. How many complaints have been received by the Housing Office in Katherine each month since 1 January 2022?
5. How many of these complaints have been followed up on and resolved?
6. How many of these complaints are based on alcohol fueled anti-social behavior?
7. How many warnings can a Public Housing tenant receive about alcohol fueled anti-social behavior before they receive an eviction notice?
8. What sort of support is provided to other Public Housing tenants that have to put up with this behavior day in day out, impacting on the quiet enjoyment of their home?
