Subject: Tennant Creek Streetscape project

QUESTION:

Regarding the Tennant Creek Streetscape project, last year during Estimates the Minister mentioned that it went back out to survey to the community about what was wanted. I would like an update on that survey and the results.

ANSWER:

In 2022, a further comprehensive community consultation regarding the Tennant Creek Streetscape project was undertaken, taking a further five months to complete.

Barkly Regional Council (BRC) is a partner in the project and this additional engagement was undertaken with the BRC Mayor, Councillors and Council Officers.

The feedback guided the prioritisation of the following components:

- Wayfinding signage
- Seated shade areas
- Accessibility provision
- Landscaping
- Painting of light poles
- New banners.
