Subject: Territory Coordinator
To: <LA.committee@nt.gov.au>

I write to register my opposition to The pending Territory Coordinator legislation. I reason that in its present form it goes too far in over riding important environmental concerns around future development of the NT. Please pull back on this intended legislation or at least water it down.

I think I am a clear thinking Territorian of many years living in the rural area of Darwin. Please consider the thoughts of all 'Territorians' on this important issue of future development.

Sean Ryan, [REDACTED]
