To whom it may concern,

I am part of a family owned property and wish to express my opposition to the proposed Territory Coordinator role.

I do not agree with many aspects of this role and see it as a threat to our freedoms and rights as landowners. This is a violation of our privacy and freedom as landowners and I am asking that the Cheif Minister does not appoint this new position of the Territory Coordinator to any persons or give them such overreaching powers.

I do not give consent to un precedented powers to an unelected bureaucrat that is not accountable or liable for their actions and decisions affecting my land, environment, business and water security

Yours Sincerely

Nathan Townsend
