LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

No. 171

WRITTEN QUESTION

Mr Paech to Minister for Education and Training, Hon Jo-Anne Hersey MLA**:**

Vocational Education and Training

1. **How many people enrolled and commenced Vocational Education and Training opportunities as at 30/09/2024 and as at 30/09/2025? Could the Minister please provide a breakdown of these numbers disaggregated by Certificates I-IV, Diploma and Graduate Certificate/Diploma, gender, region, Aboriginality status and Vocational Education and Training course?**

For example:

Qualification level	Gender	Region	Indigenous	Vet course name	# enrolled at 30/09/2024	# commenced as at 30/09/2024
Certificate I	Female					
Certificate I	Male					
Certificate II						
Certificate II						
etc						

Refer to attachment A.

Comparisons of enrolment data for partial reporting years should be interpreted with caution, as shifting enrolment patterns throughout the year can make direct comparisons difficult.

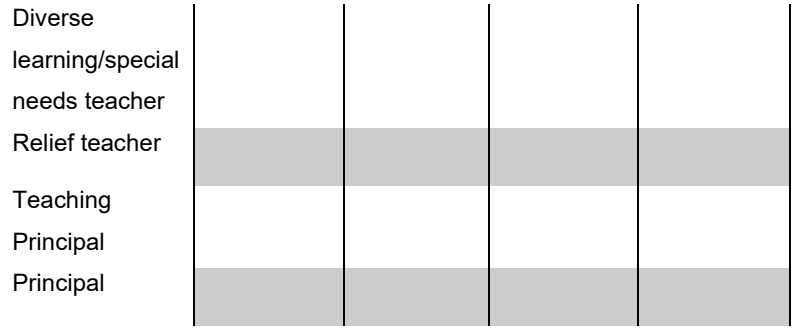
Overall, there were 441 (4%) fewer enrolments in the 9 months to 30 September 2025 compared with the same period in the previous year. The decline is attributable to the cessation of Commonwealth funding for programs that had been contracted to the private providers to deliver training to Territorians.

2. **How many people exited Vocational Education and Training opportunities as at 30/09/2024 and at 30/09/2025? Could the Minister please provide a breakdown of these numbers disaggregated by Certificates I-IV, Diploma and Graduate Certificate/Diploma, reason for exiting, gender, region, Aboriginality status and Vocational Education and Training course? Example table above.**

   The Department of Education and Training collects VET activity data at the unit-record level in accordance with the Australian Vocational Education and Training Management Information Statistical Standard (AVETMISS). While each unit is linked to a qualification, this collection does not include information on when a student exits or discontinues a qualification.

3. **How many teachers in the NT as at 30/09/2024 and as at 30/09/2025 are Aboriginal? Could the Minster please provide a breakdown of the data disaggregated by teacher category, region and gender? For example:**

Type of teacher	Female	Male	Region	% of total teachers
Classroom teacher				
Senior teacher				
Assistant teacher				
Aboriginal team teacher				
Specialist teacher				
Early childhood teacher				
Families as first teachers				



Over the period identified, the total number of Aboriginal Team Teachers, Classroom Teachers, Senior Teachers and Principals increased from 417 to 517, an increase of 25 percent.

A breakdown of school-based employees who identify as Aboriginal has been provided below, in accordance with data privacy rules.

To comply with data privacy rules, numbers below 5 cannot be provided as they may allow individuals to be identified.

A breakdown of specific educator groups, e.g. Special Education Teachers could not be provided as a teacher's area of specialisation is not recoded in the system.

4. How many times have NT schools recorded a lockdown between 30/09/2024 to 20/09/2025? Could the Minister please provide the data disaggregated by reason for lockdown, duration of lockdown, incident type (for example involving edged weapons)?

For the period of 30 September 2024 to 20 September 2025 there were 39 lockdowns across NT government schools.

- 19 were student related
- 11 were community related
- 5 were family related
- 4 were community unrest

Of these 39 lockdowns.

- 24 did not involve a weapon
- 8 involved edged weapons
- 7 involved an object used as a weapon such as a rock, metal bat, stick etc.

This is 10 fewer compared to the same period last year.

The department does not record the duration of lockdowns.

Data has been sourced from incidents reported to the department, including newsflashes. The data should be considered indicative only.

5. **How many instances of child to teacher assaults were recorded from 30/09/2024 to 30/09/2025? Could the Minister please provide the data disaggregated by school?**

For the period of 30 September 2024 to 30 September 2025, there were 301 reported instances of assaults on school staff by a child in NT Government schools.

Of the 301 total incidents, 129 (43 per cent) occurred in the five Government special schools reflecting the complex needs and behaviours of the students enrolled at special schools.

Data has been sourced from online Work Health and Safety incident reports. The data should be considered indicative only, based on reported incidents.

Legislation requires reporting on work-related violence including any form of assault that is defined as including biting, spitting, scratching, hitting, kicking, punching, shoving, tripping, grabbing, using a weapon or throwing objects.

6. **What is the estimated cost for the implementation of the Aboriginal Liaison Officers (ALOs) in schools initiative, including staffing, program, training and asset costs?**

   The program is being developed by the Department of Education and Training (DET) in collaboration with NT Police. The cost of the program and its implementation are shared between the 2 departments. The only cost being paid by DET is the wages of ALOs assigned to schools, estimated at $81,000 per annum per ALO, and NT Police are meeting all other costs. On that basis, it is requested that the question regarding implementation costs be referred to the Minister for Police.

7. **What training will be provided to ALOs to undertake school placements?**

   The standard training outline for ALOs is shown below. Additional training is provided annually to all School Based Police Officers and ALOs which encompasses police-related subjects as well as educational content including practical strategies for engaging students, working with students with disability, and understanding trauma-informed practice.

ALO Course content

Week 1

- Induction – Uniforms, Ochre Cards, Orientation, Accommodation
- Anglicare – Money Matters
- Introduction to Wellbeing Services and Ergonomics
- PSEMA Code of Conduct
- Work Health and Safety
- Community and Public Sector Union
- First Aid Course (x 2-day course)
- Domestic Violence Fundamentals
- Vicarious Trauma (Dawn House)

Week 2

- NTPF Media Introduction and select interviews
- CAAPS (Alcohol and other Drugs)
- NTES (Northern Territory Emergency Services)
- ATSI Mental Health First Aid (1.5 days)
- Remote Policing experiences
- ICT Introduction Training (x 2-days)

Week 3

- Community Justice Centre (CJC) – Mediation
- BOM Introduction
- Online PSEMA Courses
- Project Presentations and Cert II requirements
- Transition to work environment

8. **What work is being done to recruit ALOs for this program and has any analysis been done on the likely impact of this initiative on ALO numbers in the NT Police Force?**

   As this question relates specifically to impact of this initiative on the NT Police Force workforce, it is requested that the question be referred to the Minister for Police.

9. **Can you clarify the Position Description and job requirements for ALOs in schools?**

   The primary role of the ALOs in schools will be to participate in school activities alongside teachers and students and act as a positive role model promoting personal responsibility for positive engagement with school and school activities. The specific activities undertaken by each ALO will be agreed at a local level and built around the ALO's individual capacity and the priorities of the school and community. That might include supporting wellbeing activities like breakfast programs and walking buses, organising yarning circles to build relationships and confidence of students, working with school holiday programs, and working with staff to connect students at risk with services.

10. What is the timeframe (inclusive of recruitment and implementation) for the 40 ALOs to commence in schools and the list of schools where they will be based?

The school-based Aboriginal Liaison Officer (ALO) program will deploy 40 ALOs over 4 years to work in selected government schools, providing culturally appropriate responses to school and community. Police are still recruiting ALOs into the program so the possible locations of the 40 schools are not known, at this time. The focus of the program, however, is on medium to large schools in rural and remote locations.

ATTACHMENT A

Caveats and data notes:

The data covers Quarter 3 of 2024 (as of 30 September 2024) and Quarter 3 of 2025 (as of 30 September 2025). It reflects activity reported by Registered Training Organisations (RTOs) that received Northern Territory Government (NTG) funding for Vocational Education and Training (VET) delivery. The Department of Education and Training collects VET activity data in accordance with the Australian Vocational Education and Training Management Information Statistical Standard (AVETMISS). Comparisons of enrolment data for partial reporting years should be interpreted with caution, as shifting enrolment patterns throughout the year can make direct comparisons difficult. Overall, there were 441 (4 percent) fewer enrolments in the nine months to 30 September 2025 compared with the same period in the previous year. The primary driver was the discontinuation of Commonwealth funding for Fee-Free TAFE (tranche 1). Subsequent tranches covered tuition fees only, rather than the full cost of training.

1. Scope of Data:

The dataset includes only NTG-funded VET activity as reported by RTOs. Training not funded by the NTG is excluded.

2. Student Counts:

Student figures represent a distinct count of individuals. A student may be counted multiple times if enrolled in more than one qualification.
Data values fewer than 5 have been suppressed and are reported as "≤5."

3. Qualifications Included:

Data covers enrolments in the following nationally recognised qualifications:

Certificate I to Certificate IV

Diploma

Advanced Diploma

Graduate Diploma

Graduate Certificate

4. Demographic Breakdown:

The information is disaggregated by the following categories:

Gender: Male and Female

Region: Darwin, Top End, East Arnhem, Central Australia, Big Rivers, Barkly areas of the Northern Territory

Aboriginal Status: Aboriginal and Non-Aboriginal

5. Enrolments and Commencements

'Enrolled' includes all enrolments recorded up to 30 September each year, regardless of unit start date, while 'Commenced' refers to students who enrolled before 30 September and have begun their studies.

6. Reporting Periods

Training data is reported quarterly on a calendar year basis and is cumulative. The data represents the cumulative return for the first 3 quarters of 2024 and 2025.

1. How many people enrolled and commenced Vocational Education and Training opportunities as at 30/09/2024? Could the Minister please provide a breakdown of these numbers disaggregated by Certificates I-IV, Diploma and Graduate Certificate/Diploma, gender, region, Aboriginality status and Vocational Education and Training course?
