

LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY

WRITTEN QUESTION

Mr Higgins to the Minister for Housing and Community Development:

Residual Current Devices in Territory Housing Assets

1. With regard to the Coronial Inquest (2007) into the death of Monica Presley on 6 March 2005, please advise of what work has been undertaken to ensure that Residual Current Devices (RCD) are installed in all Territory Housing assets.
 2. Please provide details of the extent to which the 7 recommendations proposed by Territory Housing and adopted by the Coroner have been complied with.
 3. Please provide details of each and every Territory Housing asset that does not currently have RCD devices installed with this information to be collated according to urban or remote locality and further by suburb or community.
