QUESTIONS ON NOTICE -

How much was spent on staff training in 2002-03, and how does that compare with the preceding year?

SUGGESTED ANSWER

**CONSERVATION & NATURAL RESOURCES
 TRAINING**

	2001-02	2002-03
CNR	\$ -	\$128 109
Parks & Wildlife	\$251 215	\$81 627
Total	\$251 215	\$209 736

NB: 1. CNR 2001-02 figures were difficult to obtain due to amalgamation of divisions from two agencies (LPE – Natural Resources Division and Parks & Wildlife Service)

2. These training figures do not include Commercial Operations (Commercial Operations staffing total is 90), as they are a GBD.

3. The total training cost per person is \$283 (CNR staffing total is 452, P&W staffing total is 288).
