Subject: Helicopter Costs for Member for Macdonnell

From: Ms Delia Phoebe Lawrie to Honourable Loraine BRAHAM
Speaker

Question: **1-4**
What was the cost to taxpayers of a helicopter flying spare tyres to the Member for Macdonnell? Have helicopters been used in similar circumstances during the year?

Answer:
Answered On: 24/06/2004
Answer: The cost of the helicopter was \$3807. Helicopter was the only means to deliver the tyres given the location of the Member, and was required as a duty of care for the Member's safety, and having responsibility for the safe recovery of the vehicle.

No other helicopters have been used.
