CONTRACT with Alice Springs

Our commitment to you

**FULLY FUNDED AND
FULLY COSTED**

The Country Liberals recognise that Alice Springs is the capital of Central Australia. It is a tourism mecca and the service centre for the entire region. We will invest in the future of Alice Springs to strengthen the local economy, create a safe community and a great place to raise a family.

The Country Liberals will deliver on the following commitments for Alice Springs:

- » **Tackle Crime** – We will put 20 extra police on the street in Alice Springs and will recruit an Assistant Commissioner to lead police operations in the town. We will ensure that the Alice Springs Police Station is open to the public 24 hours a day. These are key elements in our commitment to reduce crime by 10% each year.
- » **Police and Citizens Youth Club** – We will construct a Police and Citizens Youth Club on the site of the Alice Springs Youth Centre at Anzac Hill. This is an important initiative for creating a safe place for children that are on the street at night and will provide opportunities for positive engagement between Police and young people.
- » **Tourism** – We will strengthen the local economy in Alice Springs with a renewed focus on tourism opportunities in Central Australia. We will establish a Tourism Commission that will have real input from industry representatives. Tourism operators will have control over the future of their industry.
- » **Todd Mall Upgrade** – We will fast track the upgrade of the Todd Mall because we recognise the importance that this iconic streetscape holds for tourists, business operators and locals.
- » **Affordable Housing** – We will construct 2000 new homes across the Territory to help reduce the cost of housing for police, teachers, nurses and other key service workers. Alice Springs will be a priority location for this new initiative.
- » **Support for Families** – We will introduce a \$75 sports voucher for kids as well as doubling the back-to-school voucher to \$150. The Country Liberals recognise that the rising cost of living in the Territory is impacting on the ability of families to involve their children in sports and pay for education extras. These are practical measures to help families meet these rising costs.
- » **Graffiti Removal** – We will fast track the removal of graffiti in Alice Springs through the increased use of prison work gangs. People should feel great about the beautiful town they live in and graffiti impacts on the experience of locals, tourists and businesses.

This document is a formal contract between Terry Mills as the Leader of the Country Liberals and our candidates Matt Conlan, Robyn Lambley and Adam Giles on behalf of the people of Alice Springs.

Yours sincerely
