Question: Minister can you give me the lot number of the first block of land released for sale under your government?

Answer:

The first lot released to the market was the Kilgariff residential land release in Alice Springs. This is a subdivision that will allow for a minimum of 100 lots in Stage 1.

This is one of three residential Greenfield development sites released to the market.

The lot is NT Portion Lot 7234. Released by a Request for Proposals.

Individual lots have continued to sell in Johnston Stage 2, Zuccoli Stage 1 and Bellamack. Individual lots are still available for sale in these subdivisions.
