

**LEGISLATIVE ASSEMBLY OF THE NORTHERN TERRITORY**

**WRITTEN QUESTION**

Mr Guyula to the Minister for Territory Families

**Independent facilitators for Family Conferencing**

Please advise whether the model Territory Families will have for family conferencing is for an Independent facilitator not a person employed by Territory Families?

---

Territory Families is currently engaged in a consultation process with the non-government sector to co-design a model for family conferencing. The independence of the facilitator will be a key consideration within the co-design of the model.
